Gary:

The chisel will be expended. The air hammer and the bolt removal is hard on them. Frank provided the count to me I will discuss with SWSES to provide the back up. The last item is stretch wrap. We will using this to wrap empty drums on pallets.

Leroy/Steve:

This is fine except for the following comments:

- 1. The determination as to whether the chisel is considered a hand tool;**
- 2. For the Airgas receipt, do we have documentation that shows that SWSES provided us with the PPE (Airgas Receipt) that we reimbursed to them. We need to have some documentation.**

By the way, what is a strech wrap?

Thanks

Gary:

Attached is the draft for 2-17-2015. We have adjusted for the slings and changed the correct charges for the pump to a clin rate.
